T. N. Pfeiffer, Esq.,
Counselor at Law,
120 Broadway,
New York, N. Y.

Dear Mr. Pfeiffer:-

I interviewed Mr. Addison Conover yesterday at Jamesburg, New Jersey, with reference to the information furnished us by Mr. C. W. Bumstead. Mr. Conover recalled the circumstances, but he does not know the name of the Princeton man to whom he referred. He can ascertain his name and present address, and promised to do so. Mr. Conover's information is indefinite, and will be of little value unless the Princeton man can be located. Mr. Conover promised to let me hear from him further in a few days.

I interviewed today Mrs. Arthur I. Campbell. Her husband is in Nebraska on a vacation, and will return in about two weeks. She and her husband with their family lived on a farm at Middlebush, N. J. until May 1923. They know Mrs. Gibson and on several occasions had business transactions with her. Shortly after the Weissman murders, which occurred in Milltown, New Jersey, in November, 1915. Mrs. Gibson, while at their house on business in connection with the sale of a horse, told them that on the night of the Weissman murders she was passing the Weissman farm, while out buying pigs, and saw some men run from the Weissman house into the woods. Mr. Campbell was also present and heard the conversation. Mrs. Campbell could recall no further details of the conversation. When Mr. Campbell returns I will interview them together and it may be that he will recall further details of it.

Mr. Wilson will enlarge the present map and show on it Landing Lane, the Mc Cabe house, and the Parker Home. He
